

2016 Women's Retreat

Woman of God: Called to Encourage

This year's retreat will be lead by Jody Gorman and Beth Dunkerton, a mother/daughter team whose personal testimony and heart for God have equipped them to lead us through this challenging, yet essential, charge. Throughout the Bible we see instructions to encourage one another and verses that are meant to encourage us. Why is encouragement emphasized in the Bible? Primarily because encouragement is necessary to our walk of faith.

Our sessions will include:

Answering questions like: What is encouraging and why should I do it?

Practical advice on how to encourage ourselves

What are Biblical, as well as practical examples, of encouraging others?

Asking ourselves ... who is God putting in my path to encourage?

In addition to our large group teaching and small group discussions, we'll have additional opportunities for fellowship with God and each other ... including the Saturday evening worship time.

Registration begins Friday at 4PM; dinner Friday through lunch on Sunday.

"Gracious words are like a honeycomb; sweetness to the soul and health to the body."

Proverbs 16:24
